

REMARKS

In reply to the Office Action mailed May 4, 2006, Examiner objected to claims 7 and 31, and rejected claims 1-2, 4-8, 11-12 and 18-19 as filed under 35 U.S.C. 102(a) as being anticipated by, and rejected claims 9-10, 20-22 and 26-31 under 35 U.S.C. 103(a) as being unpatentable over, Wildman et al., United States Patent Publication No. US 2005/0035862. Examiner acknowledged that claims 3, 13-17, 23-25, and 32-44 would be allowable if rewritten in independent form to include all of the limitations of the base claim and any intervening claims.

Claim 3 has been amended to include all of the limitations of claims 1 and 2, claims 1 and 2 having now been cancelled Claim 3 has also been editorially amended. Claim 13 has been amended to include the limitations of claim 1.

Claims 3 to 44 remain in this application. Claims 4, 8, 12, 18-19, 26-31, 38-39 and 43 have been amended to now depend from claim 3 as amended.

Examiner rejected claim 7 under 35 U.S.C. 112, second paragraph, as being indefinite. Applicant is not sure what is meant by the objection "because of the following informalities: Claim 31 including a part of claim 30.". Examiner is asked to note that claim 30 and 31 each now depend from claim 3, claim 30 specifying that the second communicator is a fob, and claim 31 specifying that the second communicator is a personal digital assistant. There does not appear to be overlap between claims 30 and 31.

Examiner states that there is insufficient antecedent basis in claim 7 for the phrase "said unique data". Applicant respectfully points out that claim 7 now indirectly depends from claim 3 and that claim 3 refers to "unique data". Claim 7 has also been editorially amended for clarity.

Examiner is respectfully requested to now pass this application to allowance.

Respectfully submitted,  
**Joerg C. Wagner**
